Chrysanthemum Wholesale List

ENGLISH CHRYSANTHEMUMS

When we got out our retail catalogue we had no idea just what varieties we would have enough of to wholesale. Many of our varieties were new importations from England and Canada last year and we didn't have a very large stock of many of them. However they have multiplied exceptionally well and we now know just what we can offer.

These Chrysanthemums are exceptionally lovely. A grower friend of ours in Spokane, Washington, grows them in the greenhouse as they bloom before his regular Chrysanthemums. We raise a two-acre field of them each year and have people come many miles to see them each fall.

REFER TO RETAIL CATALOGUE FOR COMPLETE DESCRIPTIONS. VARIETIES NOT LISTED ON THIS PRICE LIST ARE OF MORE LIMITED SUPPLY AND ARE RETAIL ONLY.

SEND YOUR ORDERS AS EARLY AS POSSIBLE. ORDERS WILL BE FILLED FROM STRONG PLANTS GROWN FROM ROOTED CUTTINGS IN ALL CASES WHERE WE HAVE PLANTS AND WHERE WE DON'T HAVE PLANTS WE WILL SEND ROOTED CUTTINGS.

THIS FIRST LIST ARE NEW IMPORTATIONS FROM ENGLAND AND CANADA, IMPORTED LAST YEAR. MOST OF THEM HAVE NEVER BEEN OFFERED BEFORE BY ANY FIRMS IN THE UNITED STATES. WE RETAIL MOST OF THEM AT AROUND \$1.00. GIVE THEM A GOOD TRIAL. WE CERTAINLY ARE SOLD ON THEM. WE ARE IMPORTING 50 MORE VARIETIES THIS YEAR TO ADD TO OUR WONDERFUL COLLECTION.
